Personalized Service -Why trust your vacation to a generic call center? What's the difference between booking with an online travel company (**Orbitz, Expedia, etc..**) and +MMV? **SERVICE!** You will have **ONE** person, **ME** to deal with. **ONE** person accountable for your vacation. **ONE** person to handle all the details, questions, and follow-up. There's no benefit to you, the customer, to pay the same price (or more) for generic un-personalized service, when you can have one of our qualified and knowledgeable "magical" specialists working for you personally.

Price Matching- Seen a better price online? Please give us the chance to meet or beat it! Simply forward your **Making Magical Vacations Travel** specialist your price quote. We are able to match prices on Expedia, Orbitz, etc.. So you win! You get the best price, PLUS the service of a travel professional, and not just an impersonal call-center.

Let our "magical" specialists assist in your itinerary planning, and answer all your travel related questions. Why waste hours searching for answers online, when we're just a phone call or email away.
